

# DOWN TO EARTH

## *farm field day*

### Nature Positive Farming: *land, livestock, people, profit*

Join us for a field day packed with practical knowledge, local experience, and inspiration at the O'Sullivan's farm in Tarwin Lower.

**Jenny and Paul O'Sullivan** invite you to Malabar Farm to share their valuable insights into sustainable farming. Hear how critical decisions have benefited their bottom line and shaped their farming philosophy.

**Alison Kelly, Agriculture Victoria** will explain the process of estimating your farm greenhouse gas emissions, and the power of 'knowing your number'.

**Peter Ronalds, Inspired Ag Solutions** will dive into long-term soil test results and explore how recent dry conditions may have impacted carbon levels.

**Date:** Thursday 20 November, 2025

**Time:** 10:00am - 2:00pm

**Venue:** Tarwin Lower

**Cost:** Free. Lunch provided
