

ENHANCE YOUR FARM DAM

Join us for a field day at Wilandra Farms in Clydebank to learn about the science and benefits of enhancing farm dams.

Ecologists Amber Croft and Angelina Siegrist from the Australian National University's Sustainable Farms initiative will share their latest research on the benefits of enhancing farm dams at this free field day for farmers and landholders.

Held at Wilco Droppert and Sandra Jefford's dairy farm, you'll hear about the dam enhancement work they've done and gain practical advice on how you can enhance your farm dams for the benefit of water quality, biodiversity, water security.

Proudly presented by the West Gippsland CMA in partnership with Maffra and District Landcare Network.

Date: Wednesday 26 November 2025

Time: 10:00am - 1:30pm

Venue: Wilandra Farms, Punt Lane, Clydebank 3851

Cost: Free. Lunch provided
