

# CARBON FARMING

*Know your number*

## Learn how to calculate your farm emissions

**Banks, processors and insurance companies are increasingly offering incentives or premiums to farmers who have calculated their farm emissions.**

Join local farmer Nick Dudley for a practical, hands-on workshop designed to help you understand and estimate your farm's carbon footprint.

Bring your laptop or borrow one of ours and learn how to use an online carbon calculator, explore what the numbers mean for your business, and discover opportunities to improve productivity while reducing emissions.

**Date:** Tuesday 24 March 2026  
**Time:** 10.00am - 2.30pm  
**Venue:** West Gippsland CMA Leongatha Office  
Corner Bair & Young Street, Leongatha  
**Cost:** Free. Lunch provided
